Dear Dan:

Attached is an unofficial draft of an organization chart showing the main elements of the organization as it will look when the merger with Thompson Products is completed.

Burt has written recently giving you a pretty good run-down of the reorganization and the effect upon some of the administrative people. I have not attempted to show all of the administrative people in the attached chart, but have tried to show those for whom we have asked further clearance so that you can see where they fit into the organization. The minute a formal and more complete chart is issued, I will see that you get a copy.

Please let me know if this is not clear or complete enough, and I'll be glad to elaborate in greater detail.

Sincerely,

25X1A

Sid

P.S. I have also sent a copy of this chart to Walt.
